The CLEST website has been updated with the following:

1. Act 224
2. Frequently Asked Questions
3. Instructions for Submitting an Eligible Officer to CLEST
4. Stipend Presentation
5. Agency Verification Form
6. Officer Acknowledgment Form
7. Request for Reconsideration Form

Below is a link to the listed items:

We are still working to finalize the webform on the ACADIS portal where agencies will submit the required forms. We anticipate a completion date in early June. Please note that agencies should not submit *any* forms or information to CLEST until July 1, 2022. The proposed emergency rules will be presented to the legislature next week. Final rules will be posted to the website as soon as we receive legislative approval.

Thank you all for your assistance with this project!
